HEAR IT FROM OUR STUDENTS:

"I'm a professional singer-actress and Star Kidz helps me with my vocal technique, and helps me understand character development so that I learn how to tell a story with a song, rather than just sing it. They've also provided me with some great monologues that I've been able to use on my auditions."

—Sarah, 9th Grade Advanced Class Student

"I hate when class is over. It's so much fun!"

—Cruz, 4th-5th Grade Class Student

HEAR IT FROM OUR PARENTS:

"After her first class, my daughter walked out smiling from ear to ear and her whole face lit up: 'Mommy this was the best class ever! I loved, loved, loved it! It was so much fun.' The following Thursday, the first thing she said in the morning was, 'Mommy, this is going to be my best day.' When I asked her why she answered, 'Because today I go to Star Kidz!'"

—Debbie, K-1st Grade Class Parent

"I am so proud of my daughter. She just did *SOUND OF MUSIC* at her school and thanks to Star Kidz, her self-esteem has skyrocketed!"

—Jody, 2nd-3rd Grade Class Parent
